

CHEERS School Family
Our Commitment to Care

In the classroom....

- ☞ Children and their parents need to know who is in charge of the room.....
We agree to wear a nametag or lanyard.
- ☞ To gain the respect of parents and visitors..... *We agree to dress professionally.*
- ☞ The children can better focus on learning in an organized environment.....
We agree to keep classrooms neat, clean and free of clutter.
- ☞ To surround the children with language..... *We agree to label the classroom.*
- ☞ To give children a sense of belonging and responsibility.....
We agree to include the children in the daily chores and activities.
- ☞ To create a sense of privacy and ownership.....
We agree to provide each child with a labeled cubby.
- ☞ To socialize and allow children to feel important.....
We agree to sit with the children at meals.
- ☞ To keep the children healthy.....
We agree to sanitize and disinfect toys, utensils and equipment.

To the children...

- ☞ Self-esteem is so important..... *We agree to greet children by name.*
- ☞ To allow children to feel equal..... *We agree to interact with the children at their level.*
- ☞ Children deserve respect..... *We agree to speak with encouragement and understanding.*
- ☞ Curiosity is an invaluable trait..... *We agree to answer their many questions.*
- ☞ Children need to feel successful.....
We agree to emphasize the process of their activities not the product.
- ☞ In order to develop the whole child.....
We agree to assure that the program offers balance.

To the parents....

- ☞ Parent's esteem is important..... *We agree to greet each parent by name.*
- ☞ Parents rely on my input....
We agree to communicate a piece of their child's day verbally and/or in writing.
- ☞ We respect new traditions and cultures....
We want to learn from the diversity of family backgrounds.

I, _____, commit to the Site Supervisors and actions as outlined above and detailed further in this manual.
